Dedicated to his Art, and located deep beneath the streets in his bunker studio – the man named Mowgli has been hard at work for months processing the meanest, punchiest and dirtiest Hip Hop beats ready for his latest sample pack for Loopmasters, and we have finally managed to prise it from his fingers and bring it out for mass consumption! Featuring a huge selection of street ready samples, Hip Hop from Mowgli is a great selection of his most precious samples and beats, mixed with due care and attention to ensure maximum impact every time. With 50 Bass Heavy and Crunching Drum Loops, over 200 Heavyweight Drum samples, 38 Bass bin shaking Bass lines, 50+ Killer Synth and full Musical loops, 30 Super Fx, 30 Stabs and Hits, and 50 Synth Hits – you get everything you need to start making the next generation of Hip Hop anthems! The Hip Hop Samples in this collection, which number over 450 in total are Pure Hip Hop, created in the UK – but with plenty of US influence. If you like your Hip Hop straight up with no chaser, check out the Mowgli demo today, and sample the future of Hip Hop production.
