

Nu Groove

Formats: Wav Rex2

Genres : Downtempo Hip-Hop Soul RnB

Tight and authentic programmed beats that range from laid-back hip hop style to funk-ed-up grooves - with excellent quality throughout. From booming kicks to snappy snares and everything in between, it is a collection for the street-savvy producer with a nu-school slant.

A follow-up to the highly acclaimed Strictly RnB from the same stable, it packs high quality beats with variations and single-shot samples.

Note: The First Demo contains sounds and loops not available in the download, this is a drum loops and hits only product.
